

**TOYOTA**

# HIRING ACTIVITY

Toyota Manufacturing is offering apprenticeship and training that could lead to full-time employment.

You must be 18 years or older and eligible for Vocational Rehabilitation Service. Shift work for this opportunity is 6:00 AM – 2:45 PM.

If full-time employment is extended after the training period, shift work times will rotate for the duration of employment with Toyota.

## **Possible Requirements:**

- Background check and drug screening
- Standing and walking 8 hours per day
- Performing repetitive work motions
- Fine hand manipulation and motor skills
- Moderate lifting up to 20lbs unassisted
- Safely using air/power/vibrating tools and machinery
- Transportation to and from job site

*Consideration will be given regarding criminal history on a case-by-case basis.  
Toyota will assist with any limitations with math or reading for employment.*
